Addendum

Based on the representations received from some candidates about the discrepancies in the Final Marks, Merit List of the Junior Engineer (Mechanical/Electrical/Electronics) against Advt. No. 01/2022 published on the website is being further scrutinized in view of inadvertent mistake, if any.

Final result for the post of Junior Engineer shall be subject to the outcome of the scrutiny report by another committee constituted for the purpose by the Competent Authority after checking the results manually.

Inconvenience caused is deeply regretted.
